SCARPI-4 ANTI-ROLLOVER

SCARPI-4

È l'attaccaglia per pensili interamente in acciaio, ad alta resistenza (portata di 45 kg/attaccaglia conforme alla norma EN15939). Decisamente compatta (solo 10 mm di spessore), permette 3 regolazioni facilmente accessibili dall'interno del pensile. Disponibile con copertura di vari colori.

SCARPI-4

Is a 100% steel, high resistance fastener for wall units (Load capacity: 45 kg/Hanger compliant with EN 15939 standard). Extremely compact (only 10 mm in width), it can be adjusted according to 3 positions, which can be easily accessed from inside the wall unit. Comes with cover available in various colours.
