FIXING WITH PIN

FISSAGGIO CON VITE
SCREW FASTENING

FISSAGGIO CON EUROVITE
EUROSCREW FASTENING

SPEEDY è il reggipiano di Perin Spa ideato per permettere il montaggio del mobile direttamente a casa del cliente, eliminando i costi necessari per l'automazione dell'assemblaggio in azienda. Fornibile anche in confezione, SPEEDY è un reggipiano veloce, funzionale e soprattutto economico.

SPEEDY is the shelf support manufactured by Perin Spa, designed to allow cabinet assembly directly on the customer's premises, thus eliminating all costs required for automated factory assembly. Also available in a pack, SPEEDY is a rapid, functional and most of all inexpensive shelf support.
