UN SOLO REGGIPIANO PER TUTTE LE NECESSITÀ

ONLY, il nuovo reggipiano di PERIN SPA, progettato per rendere più veloce e pratico l'inserimento automatico nel pannello del mobile. Studiato per essere inserito tramite macchine foro inseritrici, consta di un solo pezzo utilizzabile sia come reggi piano battente, sia come reggi piano a scomparsa.

JUST ONE BRACKET IS ALL YOU NEED

ONLY, PERIN SPA's new bracket, designed to make it quicker and more practical to fit automatically into the unit panel. Designed to be fitted with drilling and inserting machines, it is made up of a single piece that can be used as either a hinged bracket or a concealed bracket.
